

Dirt to Diamond Magic Picture

A free printable from Origami in Paper Land

How to make it

1. Print in colour on thick paper (160 g or more). Cut along the black frame.
 2. Fold an accordion: the lines marked ▲ fold up (mountain), the lines marked ▼ fold down (valley).
 3. Glue the outer strips onto a piece of card, or simply hold it in a zig-zag.
 4. Look from the left: a dirt block! Look from the right: DIAMOND! Watch the video on YouTube: Origami in Paper Land.
